**Re: Establishment of Fire Zone,  
Rear of 9-11 Railroad Avenue**

Pursuant to the provisions of Section 205-35 of the Village Code, I am respectfully requesting the board of trustees resolve to establish a fire zone along the entire easternmost wall of the commercial property known as the Emporium and located at 9-11 Railroad Avenue.

The space described above has been used from time to time as a parking area for large busses and trucks involved in the production of live acts at the Emporium. When this area is used for parking, it seriously obstructs the flow of traffic in and out of the municipal parking lot. This can create a log jam effect if emergency vehicles need to access the rear of this and other businesses served by the lot.

## MEMORANDUM

To: Mayor Paul Pontieri  
Board of Trustees

From: Jim Berberich, Director of Public Safety

Re: **RESIGNATION OF PUBLIC SAFETY SGT. ISAIAS CAMACHO**

Date: November 6, 2013

Public Safety Sgt. Isaias Camacho submitted his resignation from the Village of Patchogue to be effective October 25, 2013. He was appointed as a NYS University Police Officer on October 28, 2013.

During his employment here, Sgt. Camacho has consistently demonstrated an exemplary level of performance and dedication that should be considered a template for the position of Public Safety Officer. Since being appointed as Director in November of 2008, I have not seen an officer come close to performing at the level of activity Sgt. Camacho has maintained. His presence will be sorely missed in the Public Safety Dept. and in Patchogue Village as a whole.

Dept. of Public Safety  
Village of Patchogue

Patchogue, NY 11772

Dear James Berberich and the entire Public Safety Department,

It has been my pleasure to have been employed by the department since June 2010. Since that time I have worked with the greatest co-workers and friends that anyone can hope to work with. I have also acquired a vast knowledge in the field of public safety and these tools I will take with me to my next destination as a NYS University Police Officer when I enter the academy on October 28, 2013 and continue to provide a secure future for my family.

Because of this I hereby resign my position of Public Safety Sergeant with the Patchogue Village Dept. of Public Safety. I will always forever cherish my time with this department and all of the guys I have had the privilege to work with as well as the experiences I've had while being employed with Patchogue Village.

Sincerely,

Isaias Camacho Jr

Village of Patchogue Mayor and Board of Trustees:

I am from the new company called The Mad Patter and Company located at 143 River Avenue in Patchogue. I am writing to request a special permit by the Board of Trustees for a retail store at our location. We started our business as an online only store, but would now like to expand our services to become a retail location for selling doors, windows, appliances, and tools. I am requesting a special permit in this industrial zone in reference to the 435-25-A code. Please let me know of any and all further action that our company needs to take in order to become a retail location.

Enclosed is a survey of the property including parking plans, and a floor plan of the inside of the potential retail location.
