

September 10, 2013

To the Board of Trustees
Incorporated Village of Patchogue
Patchogue, New York

We have audited the financial statements of the governmental activities, each major fund and the fiduciary funds of the Incorporated Village of Patchogue (Village) for the year ended May 31, 2013, and have issued our report thereon dated September 10, 2013. Professional standards require that we provide you with the following information related to our audit.

Our Responsibilities under U.S. Generally Accepted Auditing Standards

As stated in our engagement letter dated March 6, 2013, our responsibility, as described by professional standards, is to plan and perform our audit to obtain reasonable, but not absolute, assurance about whether the financial statements are free of material misstatement and to express opinions about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with accounting practices prescribed and permitted by the New York State Office of the State Comptroller, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units. Our audit of the financial statements does not relieve you or management of its responsibilities.

As part of our audit, we considered the internal control of the Village. Such considerations were solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we performed tests of the Village's compliance with certain provisions of laws, regulations, contracts and grants. However, the objective of our tests was not to provide an opinion on compliance with such provisions.

We are responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures specifically to identify such matters.

Our Responsibility for Other Information in Documents Containing Audited Financial Statements

Our responsibility for other information in documents contained in the Village's audited financial statements does not extend beyond the financial information identified in our report and we have no professional obligation to perform procedures to corroborate such other information.

Incorporated Village of Patchogue

For the Year Ended May 31, 2013

Planned Scope and Timing of the Audit

We performed the audit according to the planned scope and timing previously communicated to you in our engagement letter.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Village are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year ended May 31, 2013. We noted no transactions entered into by the Village during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. Management feels that their estimates are reasonable in relation to the financial statements taken as a whole.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to communicate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management.

There were no adjustments to correct misstatements proposed as a result of the audit work performed.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated September 10, 2013.

Incorporated Village of Patchogue

For the Year Ended May 31, 2013

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Village's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Finding or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Village's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of the Board of Trustees and management of the Incorporated Village of Patchogue and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Cullen & Danowski, LLP
